Yellow Highlight = a change or slight adjustment to the original schedule

Text crossed out or strikethrough = this rehearsal was on the original schedule but has been cancelled

Blue text = a costume fitting has been scheduled for the roles listed. Girls - please wear a leotard.

At the top of the columns you will see:

1. Studio - studio location of your rehearsal. Please note! Occasionally rehearsals are held at studio 618.

2. Time of rehearsal

3. Scene called at that time

4. Roles called for rehearsal OR costume fitting - Please note! Most scenes have multiple roles. If it says "All Cast" every role included in that scene is called for rehearsal that day.

5. Choreographer - The instructor/choreographer leading your rehearsal that day.

PLEASE NOTE - We pay close attention to attendance. Role will be taken at every rehearsal. If you are late/or cannot make your rehearsal we expect you to notify us.

One last note about rehearsal attendance -

We love our dance family and think our community is fantastic! Most of our families are very good about making it to rehearsals and we appreciate it so very much. However, every year we have attendance issues. Every dancer counts in making our Nutcracker great! We know things happen. We try our best to be understanding. But we also want to put on the best show possible! Most roles only have 2-3 rehearsals before the first run through of the show. If you miss a rehearsal, it is very hard to make up for lost time. Please be mindful and respectful of our attendance policies. Excused absences include: illness or major family events/emergencies.

Thank you so much! You are appreciated :)
